

EVERBUILD MAMMOTH PRO BLUE MASKING TAPE

DESCRIPTION

EVERBUILD Mammoth Pro Blue masking tape is a professional long stay masking tape that can be left for up to 14 days without leaving a residue on the surface. Increasingly popular with professional decorators Pro Blue prevents seepage when using highly solvented or thinner coatings such as woodstains or metal paints.

BENEFITS

- PVC adhesive provides clean removal from all surfaces
- Easy tear.
- Does not leave a surface residue.

LIMITATIONS

- Do not use on surfaces that bleed oils or plasticiser.
- It is the users responsibility to determine suitability for use. If in doubt contact technical services for advice.

APPLICATION

Ensure surfaces to which tape is to be applied are clean sound and dry. Remove outer packaging from roll of tape. Peel required amount of tape from roll pressing firmly into place while unrolling. Cut with a knife or tear off when finished.
